Smart Camera & Light

## 3 Simple Steps to Set-Up and Protect

Download the  
iSight Bulb<sup>®</sup>  
App

Install  
iSight Bulb<sup>®</sup> Pro  
Smart Camera  
& Light into a light  
fixture socket

Connect your  
iSight Bulb<sup>®</sup> Pro  
Smart Camera  
& Light to the App by  
scanning QR code

**NOTE:** To ensure proper use of your iSight Bulb<sup>®</sup> Pro Smart Camera & Light please follow the instructions detailed in this set-up guide.

# Setting-Up Your **i** SIGHT BULB<sup>®</sup> Pro

Smart Camera & Light

## Step 1: Download the iSight Bulb<sup>®</sup> App

1. Download the iSight Bulb<sup>®</sup> App in the Apple<sup>®</sup> App Store, Google<sup>®</sup> Play Store, or use your phone camera to scan the QR code below to open the app store of your mobile phone.

**Apple<sup>®</sup> App Store or  
Google<sup>®</sup> Play Store**

**Scan Code**

# Setting-Up Your Smart Camera & Light

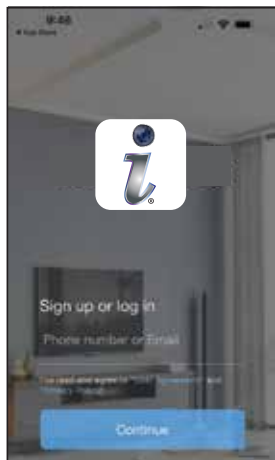

## Step 1: Download the iSight Bulb® App

1. In order for your iSight Bulb® Pro Smart Camera & Light to work properly, select **Allow** if you see the prompt: iSight Bulb® would like to find and connect to devices on your local network.
2. Create your account and select **Continue**.
3. Follow the App prompts to set up your password and register your camera/device. Then **Log In** to your iSight Bulb® app.

**Passwords must contain numbers and letters, be no less than six digits, and cannot contain special characters.**

### **FORGOT PASSWORD:**

In the App click on "Forgot Password" and follow the account retrieval process. You will receive an email with a temporary code. Enter the temporary code. You will receive a second email with your password.

## Step 2: Install iSight Bulb® Pro Smart Camera & Light into a Light Fixture Socket

1. Turn off the light switch to the light socket you will use.
2. Install iSight Bulb® Pro Smart Camera & Light by twisting it into the light bulb socket, similar to any light bulb.
3. Turn the light on for the light socket. Your iSight Bulb® Pro Smart Camera & Light indicator light will flash.
4. Wait 30 seconds for the camera to go through its set-up mode. When the set-up mode is complete, you will hear the "Welcome to use" command.

## Step 3: Connect Your iSight Bulb® Pro Smart Camera & Light to the App

1. Press the  **sign** in the App and then select **Add Device**.
2. Select **WiFi® Camera** from the device options.
3. In order for your iSight Bulb® Pro Smart Camera & Light to work properly, select **Allow** if you see a prompt: iSight Bulb® to use your location.
4. Press the **reset button** on the bottom of your iSight Bulb® Pro Smart Camera & Light for about 5 seconds until you hear a "**ding**" sound.
5. Confirm that your iSight Bulb® Pro Smart Camera & Light indicator flashes or that you hear a tone sound. Then press **Next Step** in the App.
6. Select or enter your location's **WiFi® name**, enter the **WiFi® password**. If your WiFi is 5GHz, please set it to be 2.4GHz by tapping **Change WiFi®**. Then press **Next Step** in the App.

## Step 4: Use Your iSight Bulb® Pro Smart Camera & Light Lens to Scan the Mobile QR Code

1. You will find your QR Code in the iSight Bulb® Pro Smart Camera & Light mobile app.
2. Hold your phone with the QR code displayed directly in front of the iSight Bulb® Pro Smart Camera & Light lens until you hear a musical prompt.

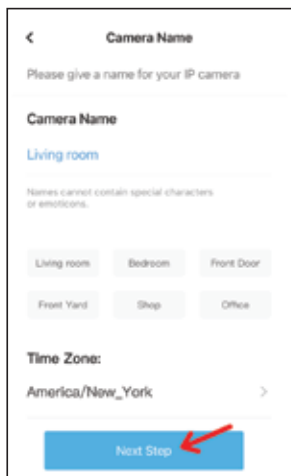

**Tip:** Hold your mobile 4-8 inches away from the lens for best results.

3. Click the **I Heard a Prompt** button.
4. The App will countdown until your iSight Bulb® Pro Smart Camera & Light and mobile device are connected to your **WiFi®** network.

## Step 4: Use Your iSight Bulb® Pro Smart Camera & Light Lens to Scan the Mobile QR Code

5. Enter a name for your camera/device or select a name from the options provided. Then press **Next Step** on your mobile phone.
6. In order for your iSight Bulb® Pro Smart Camera & Light to work properly, select **Allow** if you see a prompt: iSight Bulb® would like to access your microphone.
7. Now, you are ready to start using your iSight Bulb® Pro Smart Camera & Light!

## How to Use your iSight Bulb<sup>®</sup> Pro Smart Light

To get started, open your iSight Bulb<sup>®</sup> App and follow these easy steps:

1. Choose the camera you want to control.
2. Tap the image.
3. Tap the **Light** icon.
4. Toggle **ON** the light.

5. Select your desired setting:
  - Automatic Switching
  - Night Vision Mode
  - LED Light

If you choose the LED Light option, you'll have two choices:

- LED Always On
- LED Timing (which lets you schedule the day of the week, start time, and duration).

**Warning:** Changes or modifications to this unit not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

**NOTE:** This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications.

However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions:

- (1) this device may not cause harmful interference, and
- (2) this device must accept any interference received, including interference that may cause undesired operation.

**FCC RF Radiation Exposure Statement Caution:**

To maintain compliance with the FCC's RF exposure guidelines, place the product at least 20cm from nearby persons.

**FCC ID: 2A88H-0033052277**

**IC: 32423-SBPCF2611**

**HVIN: SBPCF2611**
